Explains the Tribal Warrior Mentor Program

The Overview

An initiative that focuses on simple life skills, teaching & mentoring.

We target young offenders who have been referred to us by Police & Juvenile justice with the aim of getting them ready for work and gearing them to stay focused on their own personal situation.

How it works

This basic life skills program is engaging, simple and has been accepted as a positive influence within the local community.

Outcomes

Basic family values enactment and two important things a human being needs, *A Sense of Belonging* and *A Sense of Worth!*

All welcome, this is a **Free** night including light supper.
