The Sydney Wars:

Conflict in the early colony 1788 – 1817

***The Sydney Wars* tells the history of military engagements between Europeans and Aboriginal Australians – ‘this constant sort of war’ as described by one early colonist – around the greater Sydney region.**

This provocative book is the first detailed account of the warfare that occurred across the Sydney region from the arrival of a British expedition in 1788 to the last recorded conflict in the area in 1817.
